All-Purpose Coffee Grinder

Pinion

The Pinion is ideal for professional users in need of an all-purpose grinder that covers both espresso and filter coffee recipes. Equipped with a modular front holder, the Pinion accommodates portafilters, comes with a dosing cup and features a simple dial to adjust grind sizes.

Compact footprint & high output

The Pinion‘s powerful motor paired with 65mm flat discs produces impressive output at pleasantly low noise levels despite its compact footprint. Combined with easy service access and durable materials, the Pinion packs unbeatable value and versatility.
